SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

MS Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Pursuant to the duty of disclosure under 37 C.F.R. §1.56, the documents identified on the enclosed form PTO-1449, copies of which are enclosed, are disclosed to the examiner for consideration in connection with the present application. Pursuant to 37 C.F.R. §1.97(c), a check for the \$180 fee set forth in 37 C.F.R. §1.17(p) for consideration of this Supplemental Information Disclosure Statement is enclosed.

By this Supplemental Information Disclosure Statement, applicant cites the following U.S. Patent Applications:

U.S. Patent Application No. 10/005213 ("the '213 application") and U.S. Published Application No. 2003/0104853, which is the published version of the '213 application.

U.S. Patent Application No. 10/029384 ("the '384 application") and U.S. Published Application No. 2003/0114220, which is the published version of the '384 application.

U.S. Patent Application No. 10/039228 ("the '228 application") and U.S. Published Application No. 2003/0125103, which is the published version of the '228 application.

The undersigned also notes the following. The assignee of the '213 application, the '384 application and the '228 application at the time of filing, Anchor Gaming, was the assignee of the above-mentioned application at the time of filing. Further, the '213 application, '384 application and the '228 application and the above-mentioned application were all transferred from Anchor Gaming to the present assignee, IGT. The inventor of the '384 application, Monica McClintic, is the same inventor as is listed on the above-mentioned application. However, neither the undersigned nor his firm prepared the above-mentioned application or the '213 application, the '384 application and the '228 application and the undersigned did not become aware of a relationship between the '213 application, the '384 application and the '228 application and the above-mentioned application until recently, when he reviewed the Office Action issued in regard to the above-mentioned application.

The submission of the documents identified on the enclosed PTO-1449 form is not an admission that they are prior art or material to patentability as defined in 37 C.F.R. §1.56(b). The Commissioner is hereby authorized and directed to charge any required fee for the submission of this Supplemental Information Disclosure Statement to Deposit Account No. 13-2855. A copy of this paper is enclosed.

Respectfully submitted,

MARSHALL, GERSTEIN & BORUN LLP
